MEALS PROGRAM

CONGREGATE HOUSING SERVICES PROGRAM (CHSP)

Since 1980, the Congregate Housing Services Program has been providing services to Hale Mahaolu residents in order to help them maintain an independent lifestyle. This program is funded by the U.S. Department of Housing and Urban Development and Hale Mahaolu.

What does the CHSP program do?

- Provides lunches and dinners seven days a week, including holidays to residents of the Hale Mahaolu Akahi and Elua sites.
- Assists participants in obtaining or making use of the help available in the community (i.e. housekeeping and chore services, transportation, Maui County meal programs, Public Health Nursing, etc.)

How much will it cost?

A reasonable fee for each meal is based on the participant's annual income.

HOME-DELIVERED MEALS MEDICAID QUEST INTEGRATION

Hale Mahaolu provides evening and weekend home delivered meals to seniors who are homebound and unable to manage their meal preparation. This program is designed to help people remain independent in their own home.

We provide home delivered meals in the Kahului and Wailuku area. We offer lunches and dinners seven days a week.

Meals are prepared in Hale Mahaolu's certified kitchen facility. These meals are nutritious, well balanced, and prepared with reduced salt, sugar, and fat content. Diabetic meals are also available upon request.

Who is eligible?

'Ohana Health Plan, HMSA, UnitedHealthcare, Kaiser Permanente and Aloha Care have contracted Hale Mahaolu to provide a home delivered meal service to eligible members who live in Wailuku or Kahului. Eligibility and approval for services through these health care providers is strictly handled by your respective provider. If you are a member of 'Ohana Health Plan, HMSA, UnitedHealthcare, Kaiser Permanents or Aloha Care and are in need of meal assistance, please contact your service coordinator or customer service for more information.
